

CURLEY PARK RANGERS FC

Est 1973
SURREY HEATH

A THANK YOU

You will be aware that the Club is currently engaged in negotiations with Connaught School and Surrey County Council with a view to acquiring a licence to use the school's part of Connaught Field following the transfer of part of the land to Surrey Heath Borough Council. During the period of these negotiations the school have withheld permission to enter or use their part of the field until the licence is fully agreed and signed.

As our season commenced at the beginning of September, this loss of several, especially mini-soccer, pitches has caused severe disruption with a substantial number of scheduled league fixtures being affected. Fortunately, a number of clubs, schools and organisations have come to our aid over this difficult period, either in the provision of temporary pitch usage arrangements or in the demonstration of understanding of our fixtures problem.

These bodies are (in no particular order) Woodcote House School, Camberley Town FC, Bagshot FC, Lightwater FC, Windlesham Utd FC, Bagshot Playing Fields Association, Lightwater Country Park, Yorktown FC, Collingwood College, Bagshot First School and the North East Hants Youth League.

We would like to formally record our deepest gratitude to these organisations and are humbled by their offers of assistance.

Connaught Park, Bagshot, Surrey
